Dear Walt:

Enclosed are extracts from the Inspector General Reports that you requested last week. We have also included extracts from a 1972 Inspector General Report on the Office of Research and Development. These documents have been reviewed and contain all the information pertaining to the subject of the Subcommittee's current investigation.

I am sure that you understand the sensitivity of these reports and will treat them accordingly.

If I can be of further assistance to you, please do not hesitate to let me know.

Sincerely,

SIGNED

George L. Cary
Legislative Counsel
